Cronin's Golf Resort, Warrensburg, New York

Once again, the friends of Chris O'Connor are holding a charity golf tournament to benefit his family. Chris passed away in February 2006 at the age of 34, leaving behind his wife Bobbi-Jo and two young children, Meghan and Rachael. The first eight events have been highly successful, raising over \$60,000 to help the O'Connor family. In 2020, we look to continue to honor Chris' memory and host another great event.
